" Realize the wonderful benefits of Oriental Medicine "

Easy Testimonial

I frequently see people who are unfamiliar with the benefits of acupuncture and have tried everything else without success. These patients are often hopeless and believe that nothing can help them. Reading testimonials from patients like you who have had good results with our clinic can give these patients the confidence they need to get started on their path to healing. Please fill out the following as truthfully as possible. If you have more than one major complaint, please fill out any different aspects on a second (or third) sheet.

My name is Diane Marshall. I came to Acupuncture & Chinese

Medical Center in March (month), 2009 (year) Because I was

suffering from (description of health problem) numbness, ache in
left lower arm, also had eye twitching
occasionally

I had this problem for 2 years month weeks. This

problem (describe how it felt when it was at its worst: pain locations, intensity or other

symptoms) arm below elbow would feel tingling,
numbness from time to time & ache too.

would bother me. Eye was not bothering
me as frequent.

It also cause — fatigue difficulty sleeping depression irritability

— Hopelessness (list any other associated symptoms) _____

and made it difficult for me to (describe any activity that was more difficult to do) _____

didn't limit my ability except wake up
at night sometimes but no longer happens.

I tried medication such as none

Surgery Physical therapy chiropractic other _____

to resolve this problem with result like (describe your experience with these treatments)

I began to feel some or significant improvements in my condition after (#) 6
treatments at Acupuncture & Chinese Medical Center.

At this point in time my condition feels 100 % better. I now feel much
better + peace of mind too.

and I am able to sleep better + not worry about
what is wrong. no more aches

I have also had significant improvement in other symptoms like eye twitch
eliminated 100%

The clinic is professional and the staff is friendly.

I would recommend acupuncture to anyone wanting non-needle
to improve health because it simply works!

No need to be afraid of needles they don't
hurt either!
