" Realize the wonderful benefits of Oriental Medicine "

Easy Testimonial

I frequently see people who are unfamiliar with the benefits of acupuncture and have tried everything else without success. These patients are often hopeless and believe that nothing can help them. Reading testimonials from patients like you who have had good results with our clinic can give these patients the confidence they need to get started on their path to healing. Please fill out the following as truthfully as possible. If you have more than one major complaint, please fill out any different aspects on a second (or third) sheet.

My name is Nicole Johnson. I came to Acupuncture & Chinese Medical Center in November (month), 2008 (year) Because I was suffering from (description of health problem) Migraines (with visual disturbance)

I had this problem for over 10 years month weeks. This problem (describe how it felt when it was at its worst: pain locations, intensity or other symptoms) became more severe within the last 4 yrs. I would have migraines at least once a week if not more with visual disturbance as well as eye and head pain.

It also cause fatigue difficulty sleeping depression irritability

Hopelessness (list any other associated symptoms) Anxiety

and made it difficult for me to (describe any activity that was more difficult to do) to work and the anxiety of when the next one would made it difficult to go places.

I tried medication such as - I didn't take anything other than Tylenol which made the pain go away, but the headaches

Surgery Physical therapy chiropractic other Kept coming back.

to resolve this problem with result like (describe your experience with these treatments)

I began to feel some or significant improvements in my condition after (#) 10-15 treatments at Acupuncture & Chinese Medical Center.

At this point in time my condition feels 100 % better. I now feel great

and I am able to live anxiety free and pain free for over 6 months (which as not happened in 4 yrs)

I have also had significant improvement in other symptoms like more relaxed
I also just feel overall healthier.

The clinic is wonderful and the staff is terrific.

I would recommend acupuncture to everyone

because it truly has been a blessing
without it I would be at home in pain just waiting for
