" Realize the wonderful benefits of Oriental Medicine"

Easy Testimonial

I frequently see people who are unfamiliar with the benefits of acupuncture and have tried everything else without success. These patients are often hopeless and believe that nothing can help them. Reading testimonials from patients like you who have had good results with our clinic can give these patients the confidence they need to get started on their path to healing. Please fill out the following as truthfully as possible. If you have more than one major complaint, please fill out any different aspects on a second (or third) sheet.

My name is Susan. I came to Acupuncture & Chinese Medical Center in Oct (month), 2008 (year) Because I was suffering from (description of health problem) Chronic headaches + Neck pain, stress-related IBS.

to resolve this problem with result like (describe your experience with these treatments)

some relief temporarily for the headaches, and sometimes no relief for the IBS.

I began to feel some or significant improvements in my condition after (#) 10 treatments at Acupuncture & Chinese Medical Center.

At this point in time my condition feels 80% better. I now feel less

stressed, No headaches or neck pain.
and I am able to lead a pretty normal life again

I have also had significant improvement in other symptoms like better focus at work + in everyday activities.

The clinic is clean + organized and the staff is very friendly + listen well.

I would recommend acupuncture to anyone suffering with any ailment that they think cannot be cured.
because that is exactly how I felt, but now I know there is hope.
