" Realize the wonderful benefits of Oriental Medicine"

Easy Testimonial

I frequently see people who are unfamiliar with the benefits of acupuncture and have tried everything else without success. These patients are often hopeless and believe that nothing can help them. Reading testimonials from patients like you who have had good results with our clinic can give these patients the confidence they need to get started on their path to healing. Please fill out the following as truthfully as possible. If you have more than one major complaint, please fill out any different aspects on a second (or third) sheet.
